Who is the ballot open to?

It will be open to all hunters who hold the appropriate licences.

Only ballot holders will be permitted in the area.

How does the ballot operate?

The Big Den ballot will operate for the Stag season only. The stag season will be divided into 11 ballot periods, separating the weekends from weekdays.

In 2020 there will be a maximum of 44 hunters in any given ballot period, which may include up to 4 single hunter parties.

Hunting parties may consist of a combination of numbers to a maximum of 4 hunters per party.

Hunters will be restricted to membership of 1 party only.

Boom Gates at Lakes River and Woods Lake end will be locked throughout the season with successful applicants securing keys for the Lake River Road end for their ballot period. Locks will be changed at the end of each ballot period.

The Woods Lake gate will remain locked throughout the season.

The lock on Lake River Road (Connorville end) Boom gate will be changed at 1pm on the day an individual ballot concludes.

Interested recreational hunters need to form a hunting party (1-4 hunters per party) with one hunter being the party leader who is responsible for his/her hunting party. All correspondence will be between the Ballot Co-Ordinator (STT) and the party leader.

The party leader is responsible to forward completed ballot registration forms and payment of a non refundable Administration Fee of $30.50 (inc. GST) per party to the ballot coordinator. Successful ballotees will make a further payment of $22.50 (inc. GST) per hunter prior to recieving their final registration and keys to the area.
Ballots are to be sent to the Ballot Co-Ordinator, Sustainable Timber Tasmania, 15960 Midlands Highway, Perth Tas 7300.

**All ballot entries must be received by Close of business 29th November 2019**

**When will I find out if I have secured access?**

The ballot coordinator will contact the successful hunting party leaders via telephone or email as early as possible in the following weeks after the ballot is complete.

Once hunting party leaders are notified of success in the ballot a single payment for the party of $22.50 (gst incl) per hunter needs to be sent to the Ballot Coordinator. Payment is to be forwarded to Ballot Co-Ordinator, Sustainable Timber Tasmania, 15960 Midlands Highway, Perth Tas 7300 or by telephoning 03 6398 7000 for Mastercard or VISA payments.

Disclosure of personal information

Due to ongoing issues with trespassing on neighbouring properties & the authorisation to hunt on a specific portion of Connorville (identified as West of the Link Road – coloured dark yellow on the attached map), there now is a need to provide Connorville Management with a copy of your firearms licence. Such disclosure is reasonably necessary to verify who is authorised to hunt on PTPZL (Permanent Timber Production Zone Land) by Sustainable Timber Tasmania.

Connorville Management will hold such details in accordance with the Privacy Act 1988 (Cth).

Firearms licences will be provided to Connorville Management upon successful entry into the ballot.

By agreeing to consent of disclosure

- the neighbouring owner is permitting those hunters authorised by STT (to hunt on PTPZL) to hunt on the neighbour’s parcel of land (identified as West of the Link Road – coloured dark yellow on the attached map);
- only permitted hunters may enter onto the neighbouring land (identified as West of the Link Road – coloured dark yellow on the attached map);
- to ensure the hunters are permitted, a copy of the hunter’s firearms licence needs to be provided to the neighbouring landowner; and
- if consent is not provided, then the individual will not be permitted entry into the ballot.

Additional Information

As per previous years registration for Big Den PTPZL (Permanent Timber Production Zone Land) a list of conditions will apply including:

Any hunter found and convicted of trespassing on neighbouring private properties may see their rights to hunt on PTPZL revoked and become ineligible to enter future ballots.

Discharging of a firearm directly along or over Connorville Link Road is forbidden due to ongoing safety concerns.

A visible blaze of orange will be mandatory on all hunters outfits.

Camping sites will be restricted to within 50m of any constructed gravel road, no new tracks are to be constructed.

No use of ATV’s in this area at any time of the year.

Fire management: Open campfires are prohibited during days of total Fire Ban. All fires are to be completely extinguished if unattended for any reason.

In the event of a wildfire – all gates will be opened as soon as practically possible.

- Lakes River Road – Main Gate
- Connorville Den Road
- Connorville Link Road – Northern End
- Connorville Link Road – Southern End
