

### **Fire Management Coordinators North and South Sustainable Timber Tasmania**

- Demonstrated fire management experience within a forest or land management environment
- Team orientated with positive leadership capabilities
- Able to work autonomously with decisive decision making within agreed parameters

Our Fire Management team is seeking experienced Fire Management Coordinators in our North and South Regions to coordinate and deliver all aspects of STT's fire activities.

---

### **About Us**

Sustainable Timber Tasmania (STT) is a Tasmanian Government Business Enterprise responsible for sustainably managing Tasmania's forests. STT manages approximately 812,000 hectares of public production forest (Permanent Timber Production Zone land) and undertakes forest operations for the production and sale of forest products from these forests.

STT's core activities include:

- Land and forest management
- Sale of forest products
- Fire management
- Forestry road construction and maintenance

### **Fire Management Coordinators North and South**

Our Fire Management team is seeking experienced Fire Management Coordinators in our North and South Regions to coordinate and deliver all aspects of STT's fire activities.

The roles are permanent full-time and based in Camdale or Perth (North) and Derwent Park or Geeveston (South). The successful candidate will be employed under the Sustainable Timber Tasmania Enterprise Agreement 2018.

### **Selection Criteria**

- Demonstrated ability to deliver strategic programs and experience with coordinating operational fire programs, teams and individuals
- Demonstrated fire management experience within a forest or land management environment
- Strong safety leadership in order to get the job done safely and efficiently with a demonstrated understanding of relevant work, health safety procedures
- Team orientated with positive leadership capabilities
- Strong communication skills with the ability to build strong working relationships across all levels in the business and with external stakeholders
- Able to work autonomously with decisive decision making within agreed parameters

To be considered for this role you should have:

- PUA20713 Certificate II in Public Safety or equivalent
- Sector Commander qualifications or relevant experience
- AAIMS qualifications or relevant experience
- Driver's Licence

**Contact:**

For a confidential conversation about the role please contact Dean Sheehan, Fire Management Manager on 0408 059 684 during business hours. A copy of the position description and more information on STT's application process is available on our website [www.sttas.com.au](http://www.sttas.com.au).

**How to Apply:**

Your application should be in one document and consist of a 1-2 page covering letter which outlines your experience, skills and knowledge as they relate to the Selection Criteria and your current resume.

**Please email your application to [people@sttas.com.au](mailto:people@sttas.com.au) by midday (EDST) Friday 20<sup>th</sup> September 2019.**

Please do not email your application directly to Dean. Applications received via this method will not be considered.

Applicants must be an Australian citizen or hold the right to live and work in Australia. The successful applicant will be subject to a pre-employment medical, a National Police Check and a 5 month probationary period.
