About Us

Sustainable Timber Tasmania manages Tasmania's public production forest for a vast array of environmental, social and economic values. Managing these forest values respectfully, innovatively and sustainably is at the heart of everything we do. As a Government Business Enterprise, we are committed to sustainably managing the forest estate, sustainably supplying timber and sustainably growing our business. Sustainable Timber Tasmania is proud to be a recognised as a Tasmanian Employer of Choice. Our people are key to the success of the business and we invest in the development of a flexible, diverse, supportive and inspiring workplace.

Accountabilities

Our Values

Respect	<i>we create safe places</i>
Responsibility	<i>we take ownership</i>
Growth	<i>we create sustainable value</i>
Excellence	<i>we make it happen</i>

SFO Planning

The primary role of this position is to manage employee and contractor safety while achieving commercial and environmental targets in the delivery of regional wood production plans. This position works closely with Harvesting, Sales and Roding teams.

You will need highly developed project management and planning skills and be able to develop strong working relationships with internal and external stakeholders. Applications that demonstrate knowledge of commercial forestry practices, logging principles and operations including safety, environment protection and contract management will be highly regarded. The successful applicant will be required to complete and maintain the Forest Practices Officer (Planning) accreditation.

Position Accountabilities and Selection Criteria

- Provide input into and implement strategic, tactical and operational plans to achieve wood supply to contractual commitments
- Prepare and implement Forest Practices Plans
- Develop and maintain key relationships with STT Harvesting, Sales and Roding teams and external regulatory bodies e.g. Forest Practices Authority
- Monitor and report on compliance with relevant Acts, Regulations and certification requirements and rectify non-conformance

SFO Planning NW

- Oversee safety compliance in accordance with work health and safety legislation, procedures, contractual arrangements and plans to achieve corporate safety goals
- Relevant industry qualification or demonstrated experience in a similar position

Skills and Experience

- Relevant industry qualification or demonstrated experience in a similar position
- Ability to successfully complete the Forest Practices Officer qualifications/course Qualifications

Contact

For a confidential conversation about the role please contact the Coordinator Planning NW, Dean Tuson on 0408 575 175 during business hours by close of business 5th April 2021. The position description (including accountabilities) and more information about STT's application process is available on our website at: www.sttas.com.au/about-us/careers

How to Apply

To apply click the following link <https://sttas.elmotalent.com.au/careers/external/job/view/18> Applicants will then be directed to STT's candidate portal to submit their application. All applications must be submitted by 5th April 2021. The successful applicant will be subject to a pre-employment medical, a National Police Check and a 5-month probationary period. For further information please email people@sttas.com.au

Applicants must be an Australian citizen or hold the right to live and work in Australia.
