

### **Senior Forest Officer - Planning (North West Tasmania)**

Come and join an innovative and progressive organisation with the goal of becoming the best land managers that we can be. With flexible work arrangements, a culture that puts people first with a focus on growth and development - Sustainable Timber Tasmania team (STT) is an exciting and rewarding place to work.

We are seeking a motivated person with strong project and stakeholder management skills to oversee the organisation's regional wood production program. We manage approximately 800,000 hectares of public production forests which provide vital environmental, economic and social benefits for all Tasmanians. It is our business to ensure that these benefits are sustainably managed for current and future generations.

The primary role of this position is to manage employee and contractor safety while achieving commercial and environmental targets in the delivery of regional wood production plans. This position works closely with the Harvesting, Sales and Roding teams.

You will need highly developed project management and planning skills and be able to develop strong working relationships with internal and external stakeholders. Applications that demonstrate knowledge of commercial forestry practices, logging principles and operations including safety, environment protection and contract management will be highly regarded. The successful applicant will be required to complete and maintain the Forest Practices Officer (Planning) accreditation.

#### **Key Accountabilities (selection criteria)**

- Develop and implement strategic tactical and operational plans to achieve wood supply to contractual commitments
- Prepare, certify and implement Forest Practices Plans
- Develop and maintain key relationships with STT Harvesting, Sales and Roding teams and external regulatory bodies e.g. Forest Practices Authority
- Monitor and report on compliance with relevant Acts, Regulations and certification requirements and rectify non-conformance
- Relevant industry qualification or demonstrated experience in a similar position
- Ability to successfully complete the Forest Practices Officer qualifications/course
